PIEMONTE DOC BARBERA

“BARBAVERDE”

Barbaverde represents a man who respect his own **Mother Land**.

Barba, in Italian means beard while verde means green, with this two symbols we want to transmit a message of being respectful with our home, even when we drink wine. This Piemonte Doc Barbera is an organic red wine. The wine has an all emphasis on being environmentally conscious in it's packaging; where the paper used for the label is FSC certified. By choosing products with FSC labels, you are helping to take care of the world's forests. Even the glass used for this bottle is lighter than others making transportation less polluting. All the grapes are hand harvested around the middle of september, followed by a long maceration and fermentation at controlled temperature. The wine is then refined in stainless steel tanks.

Production area Asti

Grape Barbera

Wine features The color is typical deep ruby red. It's bouquet is complex, with notes of mature red fruit and gentle spices. In the mouth it is full and velvety, full bodied and structured, very harmonic.
